Facilities
Engineering
JOURNAL

2021

about

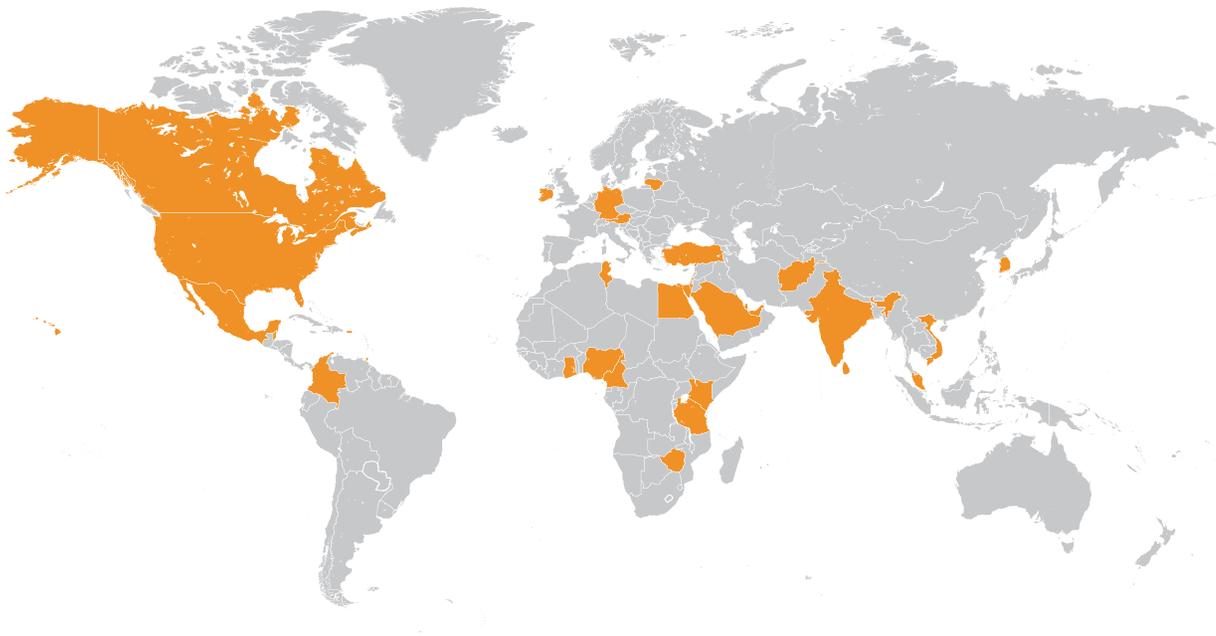

The Association for Facilities Engineering is a member-based association that provides education and certification opportunities for professionals enhancing, maintaining or securing the built environment. The Facilities Engineering Journal contains AFE News, technical articles, case studies, and white papers. It is a quarterly publication that is distributed to all AFE Members, various trade shows, and stakeholders throughout the United States. The FEJ can be accessed by Members Online and by industry observers through the AFE mobile app, giving your advertisement potential long-term visibility.

who

- Executive Management
- Facility Managers
- Maintenance Supervisors
- Techs / Maintenance Professionals

Our community includes 2,200 members and over 9,000 AFE Certified professionals within the built environment, worldwide. These individuals, companies, and many more will be seeing your advertisements in our Facilities Engineering Journal!

schedule

advertising

e t a i l s

Terms of Payment:

All advertising must be paid for in advance of publication. No ads will run unless payment or a valid purchase order has been received, at least 2 weeks, prior to the distribution date. Final payment for advertising must be tendered prior to publishing.

Placement:

Every effort will be made to honor your ad placement request. All ad placements are on a first come, first served basis.

Liability:

The Association for Facilities Engineering, the Facilities Engineering Journal, its publisher, editors and other agents are not, in any event, liable for any error occurring or appearing in any advertisement. AFE will not, in any event, be liable for loss of income or profits or any consequential damages. AFE reserves the right to reject any advertisements that are deemed unacceptable, inappropriate or unsuitable. Advertisements with dated content material are not accepted for publication in the Facilities Engineering Journal.

Ad Formats Accepted:

High-Res PDFs and JPGs are preferred, minimum 300dpi. Images from the Web are not suitable for printing. All color artwork must be in CMYK mode; black-and-white artwork must be in either grayscale or bitmap mode. RGB mode artwork is not accepted and if supplied will be converted to CMYK mode, which will result in a color shift. Other formats accepted include InDesign, Illustrator and Photoshop files. When sending these file types, please include all fonts and linked images. Please ensure your ad dimensions fit the measurements outlined previously.

AFE Does Not:

AFE neither endorses nor approves of any particular product, brand, product-selling business or service which pays to advertise with AFE online or in the Facilities Engineering Journal, The AFE Factor podcast, AFE newsletters or other media and publications.

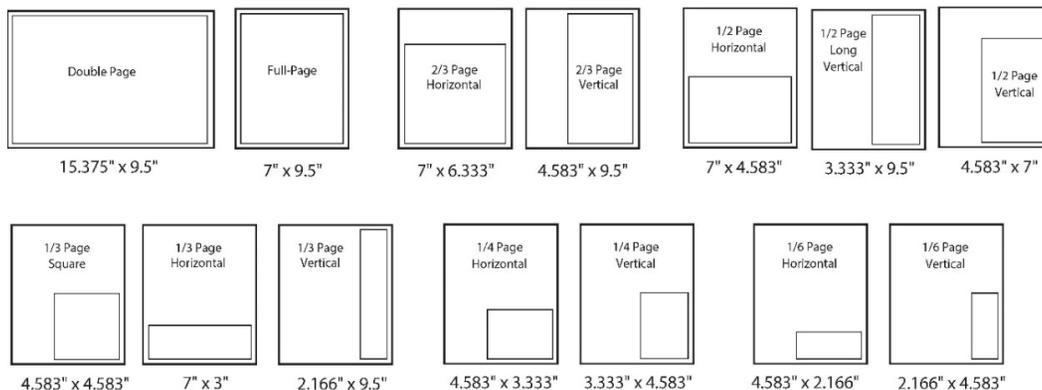

Ad Pricing Notice:

Ad pricing reflects the price to place in each issue for the current program year. Ad pricing may change without notice.
